Parking Zone clears another hurdle

The September [Ealing Area Committee](#) recommended that [Ealing Borough Cabinet](#) give the Five Parking Zone (CPZ). Cabinet approval is expected shortly, which will pave the way for parking z begin when the current road works are complete.

The Area Committee, which consists of both Conservative and Labour Councillors, gave its approval after residents in the five roads voted strongly in favour of controlled parking. The results of the voting were as follows:

	For	Against
Arden	3	1
Broughton	22	15
Denmark	17	7
Hartington	13	10
Hastings	29	11
Total	84	46

Street Lights

The tall lampposts currently being installed should be operational by the end of October. They are to be painted black. To those who wonder what will happen to the old ones, where appropriate they will be preserved for future use in a conservation area.

The Planters –the remaining part of the Home Zone gateways should be installed within two months. Donations of shrubs are needed: contact [Kim](#) if you have any spare plants. Also if you would like to adopt the planter in your road to look after and tend, please let us know.

Notice board

For those that have not noticed there is now a notice board at the west end of Denmark Road. Details of all works scheduled are placed there. To place your own notice contact [Charmian](#) or [Kim](#).

The remaining £127 will be held in events.
