The tall lampposts currently being installed should now be operational. Those at the east of Denmark Road can only be connected once the contractors have laid cable under the road. To do this we will need to co-ordinate moving our cars (details to householders to follow). The Planters –the remaining part of the Home Zone gateways (The big holes to the side of the raised tables at the six entrances to the Home Zone) have been somewhat delayed. Changes to Constitution

Section 4.2 of the Constitution currently reads

"The elected officers may hold office for a maximum of term of three consecutive years, at the expiration of which they shall not be eligible for re-election for at least one year."

It is feared that with the end of 3 years approaching several of the committee members will be lost in one go when there may not be people willing to take their place.

It was proposed by the committee that the words be changed to:

"Officers may hold office for a maximum of three consecutive years, at the expiration of which they shall not be eligible for re-election for at least one year."
