CONTROLLED PARKING ZONE
No one could be unaware of the huge changes made to our road layouts in the last few weeks.

The Five Roads Forum committee is aware that some of the changes may need improving on. If you have any suggestions to improve

the scheme please write to or email Rachel Felton at the Council. She is gathering ideas and will make further changes that the majority feel would improve the area. (Rachel Felton, Engineering Services, Perceval House, Uxbridge Road, Ealing-email feltonr@ealing.gov.uk 8758 5510)

There has been a blissful lull in the volume of traffic this Easter week, but a few residents have had a problem parking. We need to give the new scheme time to bed down, so please keep a sense of humour!

Trees and plants
We hope that Ealing council's contractors (Parkman Ltd) will build our planters very soon. As you know we are keen to plant some attractive plants and place the mosaics.

Later in the year we hope that more trees and shrubs can be planted. Other plans to improve the area are being discussed with the project board. This is chaired by Councillor

Peter Wicks. Comments and ideas can be sent to him directly or through your committee representatives.

Children's playground. We are still seeking funding to equip the playground. Thanks to Lawrence Peacock who has worked very hard to put in a detailed funding application. If any one has contacts or works for firms that might want to sponsor us (etc) please give Lawrence a call on 8567 5057

Many Congratulations to Isobel, Lawrence and Emily on the birth of Alicia.

Football challenge Sunday 21st April 10.30am
Need to stretch your legs? Want a laugh? Come and join us for a football game in Walpole Park –meet near the monkey puzzle tree. No one is too old or young to join in. Otherwise bring a chair and a thermos and heckle the teams!
Anyone able to be referee?
